Html Validator:

1. Index Page:

message: 1 matching

- Error** Start tag `body` seen but an element of the same type was already open.
From line 22, column 1; to line 22, column 6
`</header><body><body><div>`
- Error** Start tag `body` seen but an element of the same type was already open.
From line 23, column 2; to line 23, column 68
`<body background="images/background1.jpg" alt="homepagebackground"><div>`
- Fatal Error** Cannot recover after last error. Any further errors will be ignored.
From line 23, column 2; to line 23, column 68
`<body background="images/background1.jpg" alt="homepagebackground"><div>`

Document checking completed.

It's having issues with my background image because it's called `<body background....`, but I have to put it in the html because it won't work in my css file.

2. About Me Page:

- Error** Bogus comment.
At line 2, column 3
`<!--written by Isab`
- Error** Start tag `body` seen but an element of the same type was already open.
From line 25, column 3; to line 25, column 69
`<body background="images/background1.jpg" alt="homepagebackground"><div>`
- Fatal Error** Cannot recover after last error. Any further errors will be ignored.
From line 25, column 3; to line 25, column 69
`<body background="images/background1.jpg" alt="homepagebackground"><div>`

Document checking completed.

It's having issues with my background image because it's called `<body background....`, but I have to put it in the html because it won't work in my css file.

3. Design Page:

1. **Error** Bogus comment.

[At line 2, column 3](#)

```
doctype html>␣<!--Written by Isab
```

2. **Error** Start tag `body` seen but an element of the same type was already open.

[From line 25, column 1; to line 25, column 6](#)

```
/header>␣␣<body>␣␣␣<hr>
```

3. **Error** Start tag `body` seen but an element of the same type was already open.

[From line 27, column 2; to line 27, column 68](#)

```
y>␣␣␣<hr>␣␣␣<body background="images/background1.jpg" alt="homepagebackground">␣␣<div>
```

4. **Fatal Error** Cannot recover after last error. Any further errors will be ignored.

[From line 27, column 2; to line 27, column 68](#)

```
y>␣␣␣<hr>␣␣␣<body background="images/background1.jpg" alt="homepagebackground">␣␣<div>
```

Document checking completed.

It's having issues with my background image because it's called `<body background....`, but I have to put it in the html because it won't work in my css file.

4. Photography Page:

1. **Error** Bogus comment.

[At line 2, column 3](#)

```
doctype html>␣<!--Written by Isab
```

2. **Error** Start tag `body` seen but an element of the same type was already open.

[From line 25, column 1; to line 25, column 6](#)

```
/header>␣␣<body>␣␣␣<hr>
```

3. **Error** Start tag `body` seen but an element of the same type was already open.

3. Header and footer:

W3C CSS Validator results for TextArea (CSS level 3 + SVG)

Congratulations! No Error Found.

This document validates as [CSS level 3 + SVG](#) !

To show your readers that you've taken the care to create an interoperable Web page, yo add this icon to your Web page:

(close the img tag with > instead of /> if using HTML <= 4.01)

4. Navigation Bar:

W3C CSS Validator results for TextArea (CSS level 2.1)

Congratulations! No Error Found.

This document validates as [CSS level 2.1](#) !

To show your readers that you've taken the care to create an interoperable Web

(close the img tag with > instead of /> if using HTML <= 4.01)

5. Fluid header and footer:

W3C CSS Validator results for TextArea (CSS level 2.1)

Sorry! We found the following errors (5)		
URI : TextArea		
7	header	Value Error : <u>font-family</u> Generic family names are keywords, and therefore must not be quoted. : Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif" Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif"
33	header img	Property border-radius doesn't exist in CSS level 2.1 but exists in : 100% 100%
36	header img	Value Error : <u>border-width</u> 0.1% is not a width value : 0.1% 0.1%
67	footer	Value Error : <u>background</u> Too many values or values are not recognized : -webkit-linear-gradient(bottom,#000000,#ffff) -webkit-linear-gradient(bottom,#000000,#ffff)
69	footer	Value Error : <u>font-family</u> Generic family names are keywords, and therefore must not be quoted. : Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif" Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif"

The errors that it found I was unable to change to what it wanted. I had to have percentages because it's a fluid layout. The fonts had to be quoted too. What it was unable to recognise was the gradient background which I couldn't change because if I did it, it would no longer work.

6. Fluid navigation bar:

W3C CSS Validator results for TextArea (CSS level 2.1)

Sorry! We found the following errors (3)		
URI : TextArea		
22	.navigationbar a	Value Error : <u>border-width</u> 0.1% is not a width value : 0.1% 0.1%
28	.navigationbar a:hover	Value Error : <u>background-color</u> lightgray is not a color value : lightgray lightgray
34	.navigationbar a:active	Value Error : <u>background-color</u> grey is not a color value : grey grey

The errors that it found I was unable to change to what it wanted. I had to have percentages because it's a fluid layout. The colours are recognised in Dream Weaver so I can't change them.

7. Style.css (css for design page):

W3C CSS Validator results for TextArea (CSS level 2.1)

Sorry! We found the following errors (5)		
URI : TextArea		
7	h3	Value Error : font-family Generic family names are keywords, and therefore must not be quoted. : Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif" Segoe,"Segoe UI","DejaVu Sans","Trebuchet MS",Verdana,"sans-serif"
18	#twocolumnalbum	Value Error : background Too many values or values are not recognized : -webkit-linear-gradient(left top,#000000,#ffffff)-webkit-linear-gradient(left top,#000000,#ffffff)
25	.firstrow	Property align-items doesn't exist : center center
35	.seconedrow	Property align-items doesn't exist : center center
45	#twocolumnalbum img	Property align-items doesn't exist : center center
